

dis - ap - pear he could be free Cut off from

pain and loss a bit like

me.

I can ar-range what he wants He's left it all to me

Rose:

Don't do this Don't wed him

Now he can have what he wants un - fet - tered he will be Set him

Don't bed him Don't do this

free to wan - der through the world, let him

Set him free through the world, let him
